# My Local School District

# Pre-School

- Optional
- Intended to give students a 'head-start'
- The day consists of music, art, pretend play, and other social activities

# Elementary School

1 teacher in each class

20-30 students

Basic subjects: Math, Reading, Writing, Science, Social Studies

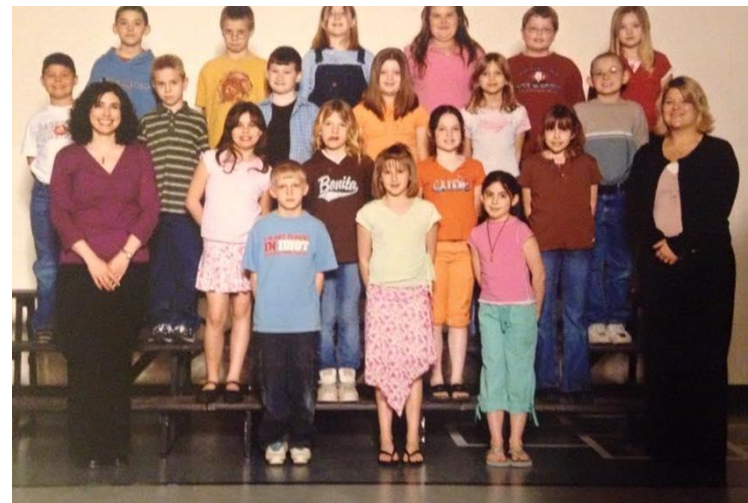

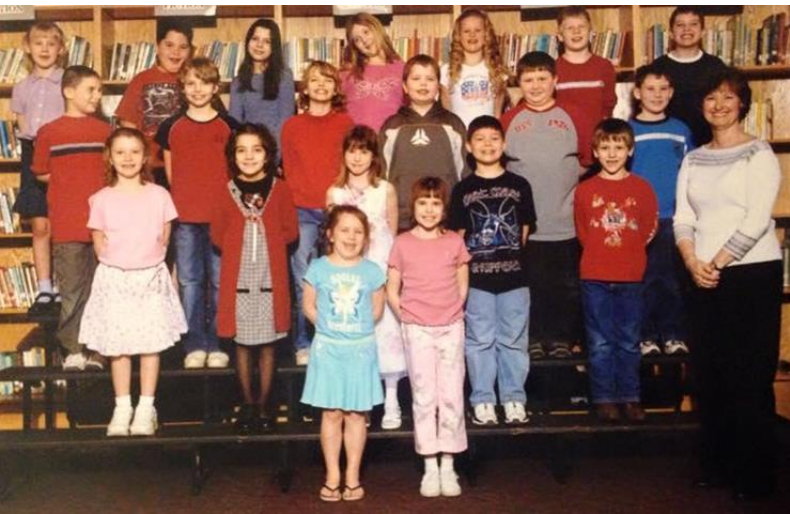

Specials: Art, Music, Physical Education, Computer Science, Library

Inclusion- Students with special needs are included in classrooms, but may have an aid or take certain lessons with a special education teacher.

# Middle School

- Different Teacher for every subject
  - Math, science, social studies, language arts, p.e.
  - One year of music & art
- Students rotate classes throughout the day, and have different peers in each class
- Start a foreign language
  - Usually Spanish, French, or German
- Start of school sports
  - Football, basketball, volleyball, wrestling, cross country running, track & field, cheerleading

# High School

- Different Teacher for every subject
  - Math, science, social studies, language arts, p.e.
- Subjects are more specified
  - Ex. Math is divided into Algebra 1, Geometry, Algebra 2, Trigonometry, Precalculus, Calculus
- Students are very involved in clubs and activities
  - Student Council, Volunteer Clubs, Language Clubs, Sports, Band

# Vocational School

- Junior and Senior year of High School
- Regular High School classes but with specialized subjects
  - Ex. Carpentry, Electrical, Welding, Automotive, Machining, Programing, Media Design, Nursing
- Students are placed in jobs after graduation
